

Table Of Contents

| | |
|--|------------|
| Module 1: Installation | 1-1 |
| 1.1 FirePass® Overview..... | 1-1 |
| 1.2 Installation..... | 1-4 |
| Lab – Install and Initial Configuration | 1-10 |
| 1.3 Administrator Access | 1-12 |
| Lab –Admin Access and Features..... | 1-18 |
| | |
| Module 2: Network Access (SSL VPN) | 2-1 |
| 2.1 Network Access (SSL VPN) Overview..... | 2-1 |
| 2.2 Configuring Network Access | 2-2 |
| Labs – Network Access (SSL VPN) setup..... | 2-7 |
| | |
| Module 3: Security | 3-1 |
| 3.1 FirePass Security Overview | 3-1 |
| 3.2 Authentication and Master Groups..... | 3-3 |
| 3.3 Adding Local Group users..... | 3-7 |
| 3.4 Configuring Authentication..... | 3-11 |
| Labs – Authentication | 3-17 |
| 3.5 Authorization and Resource Groups..... | 3-19 |
| Labs – Authorization and Admin Realms | 3-24 |
| | |
| Module 4: End Point Security | 4-1 |
| 4.1 Endpoint Inspectors | 4-1 |
| 4.2 Pre Logon Sequences | 4-6 |
| Labs – Pre-login Sequence using Inspectors..... | 4-9 |
| | |
| Module 5: Application Access | 5-1 |
| 5.1 Application Tunnels Overview..... | 5-1 |
| 5.2 Configuring Application Tunnels..... | 5-3 |
| Labs – Dynamic Application Tunnels..... | 5-7 |
| | |
| Module 6: Portal Access | 6-1 |
| 6.1 Portal Access Overview | 6-1 |
| 6.2 Configuring Portal Access..... | 6-2 |
| Labs – Portal Access | 6-6 |

Table of Contents

| | |
|---|-------------|
| Module 7: Lab Project #1 and Review | 7-1 |
| 7.1 Review..... | 7-1 |
| 7.2 Lab Project | 7-2 |
| | |
| Module 8: Portal Access advanced | 8-1 |
| 8.1 Portal Access review | 8-1 |
| 8.2 Configuring Portal Access..... | 8-2 |
| 8.3 Content Inspection..... | 8-4 |
| 8.4 Web Applications / Content re-writing..... | 8-8 |
| Labs – Adv Portal Access | 8-21 |
| | |
| Module 9: Application Access advanced | 9-1 |
| 9.1 Application Tunnels revisited..... | 9-1 |
| 9.3 Other Application Access Methods | 9-7 |
| Labs – Adv Application Access | 9-10 |
| | |
| Module 10: Network Access advanced | 10-1 |
| 10.1 Network Access review | 10-1 |
| 10.2 Other Network Access Settings..... | 10-2 |
| 10.3 Stand alone client | 10-6 |
| Labs – Adv Network Access | 10-9 |
| | |
| Module 11: End Point Security Advanced | 11-1 |
| 11.1 Endpoint Security review | 11-1 |
| 11.2 Protecting Resources | 11-4 |
| 11.3 Sequences and Sub Sequences | 11-9 |
| 11.4 rules | 11-11 |
| 11.5 Post Logon Actions | 11-20 |
| Labs – Adv Endpoint security | 11-22 |
| | |
| Module 12: Dynamic Group Mapping..... | 12-1 |
| 12.1 Dynamic Group Mapping Overview | 12-1 |
| 12.2 Using Dynamic Mapping..... | 12-2 |
| 12.3 Resource Group Mapping..... | 12-10 |
| Labs – Resource Mapping..... | 12-13 |
| 12.4 Master Group Mapping | 12-15 |
| Labs – Master Group Mapping | 12-19 |

Table of Contents

| | |
|---|-------------|
| Module 13: SSL Certificates | 13-1 |
| 13.1 Server SSL Certificates | 13-1 |
| Lab – Server SSL Certificates | 13-6 |
| 13.2 Client SSL Certificates | 13-7 |
| Optional Lab – Client SSL Certificates..... | 13-12 |
| | |
| Module 14: FirePass Administration | 14-1 |
| 14.1 Customization..... | 14-1 |
| 14.2 Documentation and Support..... | 14-4 |
| 14.3 Troubleshooting..... | 14-8 |
| 14.4 Logging and SNMP..... | 14-9 |
| 14.5 Timeouts..... | 14-11 |
| 14.6 Backup and Upgrade | 14-12 |
| Optional Labs – Admin tasks | 14-17 |
| | |
| Module 15: Failover | 15-1 |
| 15.1 Failover concepts and configuration..... | 15-1 |
| Lab - Failover | 15-12 |
| | |
| Module 16: Clustering | 16-1 |
| 16.1 Clustering concepts and configuration | 16-1 |
| Optional Lab - Clustering | 16-9 |
| | |
| Module 17: Lab Project #2 and Review | 17-1 |
| 17.1 Review..... | 17-1 |
| 17.2 Lab Project | 17-2 |
| | |
| Appendix A – Additional Topics | A-1 |
| A.1 IPSec to back-end Gateway | A-1 |
| A.2 User Access Security..... | A-2 |
| A.3 SSL termination on BIG-IP | A-4 |
| | |
| Appendix B – New Features | B-1 |
| B.1 New Features in Version 6.0..... | B-1 |
| B.2 New Features in Version 5.5..... | B-15 |
| B.3 New Features in Version 5.4, and 5.2..... | B-24 |
| | |
| Appendix C – Copy of Powerpoint slides | C-1 |
