3.8 Software Development Kit License Grant.

If, in connection with your use of the SaaS Offerings, we provide you with access to any proprietary software development kits ("**SDK**"), including, but not limited to, the Shape Security SDK, the following terms will apply.

3.8.1 Development License. Subject to the terms and conditions of this Agreement, we grant to you a limited, non-exclusive, royalty-free, non-sublicensable, non-transferable, license to reproduce the Source Code for the SDK solely for (i) your own internal use, and (ii) the purpose of compiling such Source Code into Object Code for distribution to third parties under Section 3.8.2 below.

3.8.2 Distribution License. Subject to the terms and conditions set forth herein, we grant to you a limited, non-exclusive, royalty-free, non-sublicensable, non-transferable, license to (i) compile the Source Code of the SDK into Object Code, and (ii) reproduce and distribute such Object Code solely as part of, and solely as integrated into, a mobile application and solely for your internal business purposes.

3.8.3 Distribution Agreements. Any distribution of Object Code by you under Section 3.7(b) above must be under the terms of distribution agreements and end user agreements containing the following minimum terms: (1) a provision that prohibits title to the distributed Object Code from passing to the end user or any third party; (2) a provision that prohibits transfer or duplication (except for back-up and archival copies) of the distributed Object Code; and (3) a provision that prohibits causing or permitting the reverse engineering, disassembly, decompiling or any other attempt to derive Source Code of the distributed Object Code, except to the extent the laws of the end user's jurisdiction give the end user the right to do so to obtain information necessary to render the applicable Object Code interoperable with other software or hardware. You will enforce each such agreement with at least the same degree of diligence that you use to enforce similar agreements for other products or services, but in no event with less than reasonable effort. You will not (and will not authorize or knowingly permit any third party to) identify us as the source of any software contained in any of your applications.

3.8.4 Open Source Software. You will not (and will not authorize or knowingly permit any third party to) incorporate any Open Source Software into, or link (statically or dynamically) any Open Source Software with, any of your mobile applications into which any portion of the Object Code of the SDK is integrated.

3.8.5 Source Code Restrictions. You will not (and will not authorize or knowingly permit any third party to): (i) disclose all or any portion of the Source Code for the SDK or related Documentation to anyone other than your employees on a need-to-know basis solely for purposes authorized under this Agreement, provided such employees are expressly bound by the nondisclosure obligations equally as protective as those in this Agreement; (ii) reproduce all or any portion of the Source Code for the SDK, in any form or medium, except as necessary for exercising your rights under this Agreement; (iii) allow hard copy printouts of any portion of the Source Code for the SDK to exist except within secured locations; (iv) allow soft copy versions of any portion of the Source Code for the Shape Security SDK to reside on computers or networks unless such computers or networks are password protected (with such passwords only being made available to such employees); or (v) use any portion of the Source Code for the SDK for any purpose not specifically authorized in this Agreement. You will advise all

employees with access to any portion of the Source Code for the SDK of their responsibilities under this Agreement and their respective individual confidentiality agreement both at the time such person's access to the Source Code for the SDK commences, and at the time such access terminates. You will be responsible for any breach of the requirements in this Section 3.8 by any of your employees.

- 3.8.6 Authorized Users.** You may authorize other Users to access and use the SDK as granted to you hereunder; provided, however that you will be responsible for all the acts and omissions of such Users (including without limitation any violation by a User of Section 3.8.5 above) as if they were your own acts or omissions.

4. Ordering; Fees; Expenses.

- 4.1 Ordering.** You shall order the desired SaaS Offerings either directly with us or through an Authorized Distribution Partner using the ordering process described for each such SaaS Offering in the Service-Specific Terms. If you have purchased a MY Subscription, you may be subject to specific ordering, reporting and payment terms contained in the Program Terms.

4.2 Fees and Payment Terms.

- 4.2.1 Taxes.** You are responsible for any fees, taxes, duties, withholdings and other assessments based on your purchase of the SaaS Offerings (not including those taxes based on our net income or those taxes for which you have provided a valid certificate confirming you are exempt).

- 4.2.2 Fees.** Where applicable, fees are based on your specific usage of the SaaS Offerings (e.g., for our Cloud Services SaaS Offerings). Notwithstanding the foregoing, the amount of fees for SaaS Offerings will be set forth in each Order or the documentation for the applicable SaaS Offering. Unless specified in an Order, all fees will be billed in United States dollars. Specific payment terms for each SaaS Offering are set forth in the Service-Specific Terms for such SaaS Offering. Unless you have purchased a SaaS Offering with a committed fee structure for a specified period, we may adjust the fees applicable to any SaaS Offering by providing notice to you (which may be by publication within the Portal). Any adjustments to the SaaS Offerings fees will not be effective until at least thirty (30) days after we provide notice to you.

4.2.2.1 Payment via Cloud Provider: If you order a SaaS Offering through a cloud computing or similar environment provider ("**Cloud Provider**"), you will pay all usage or subscription fees plus any applicable sales and/or use taxes or other charges directly to the Cloud Provider. If you are required to pay any taxes based on any SaaS Offering subscriptions, you will pay such taxes with no reduction or offset in the amounts payable to the Cloud Provider.

4.2.2.2 Payment via Credit Card: If you provided us with credit card information for payments of amounts owed, you authorize us to immediately charge when due all fees, including all applicable sales or taxes or other charges, to the card number you provided. If you pay any fees with a credit card, we may seek pre-authorization of your credit card account prior to your purchase to verify that the credit card is valid and has the necessary funds or credit available to cover your purchase. You authorize us to periodically charge until cancellation or termination of either the recurring payments or your account, all fees when due. Any recurring subscription payments will continue unless and until cancelled by you.

- 4.2.3 Payment Terms.** All Fees will be invoiced as set forth on your Order, and (i) payment terms are net 30 from the date of invoice; (ii) all fees are non-refundable; and (iii) suspension or termination of the SaaS Offerings shall not relieve you of any payment obligations.

- 4.2.4 Credit Terms.** We reserve the right to set your credit terms in our sole discretion. If you are not extended credit by us, you must pay us all fees in advance of commencement of the SaaS Offerings. If we grant you credit terms, then all invoices are due and payable within thirty (30) days following receipt of our invoice. We may change your credit terms on written notice to you.

- 4.2.5** Billing Disputes. In the event that you, in good faith, dispute any amount charged or invoiced hereunder, you will provide written notice of such dispute, which must be reported to us within thirty (30) days following receipt of invoice or the applicable statement, provided that in no event shall you withhold any fees not subject to a good faith dispute.
- 4.2.6** Late Payments. Payment of fees not received when due, or that are refused by your credit card or bank, shall be subject to a late charge at a rate equal to the lesser of 1.5% per month (18% per annum) or the highest rate permitted by law, plus all bank charges and costs of collection (including attorneys' fees). In the event that late payments are not paid in full within thirty (30) days following notice of delinquency, we may terminate or suspend your access to the SaaS Offerings pursuant to Section 2.3 of this Agreement.
- 4.2.7** Reporting. Upon written notice by us, you shall: (1) certify in writing your compliance with the applicable Usage Metrics (for example, by providing written evidence of the number of user accounts being monitored by the SaaS Offerings); and/or (2) provide us reasonable access to your usage records and/or other internal logs, solely for the purpose of validating your compliance with the applicable Usage Metrics.

5. Term and Termination.

- 5.1** Agreement Term. The term of this Agreement shall commence on the Effective Date and shall continue until terminated in accordance with this Section 5 (the "**Term**").
- 5.2** Service Term The term for any SaaS Offerings provided hereunder shall either be (i) for pre-paid SaaS Offerings, the term as applicable for the SaaS Offerings ordered and paid for by you pursuant to an Order; (ii) for consumption-based SaaS Offerings, the period of time in which you use such SaaS Offering; or (iii) for MY Subscriptions, the term as indicated in your F5 issued quote or other agreement with us ((i), (ii) or (iii), as applicable, the "**Service Term**"), unless earlier terminated pursuant to the terms of this Agreement.
- 5.3** Termination. This Agreement or any Service Term may be terminated by either party (a) upon thirty (30) days prior written notice in the event of a material breach of this Agreement or the applicable Service Policies by the other party which is not cured within such period; (b) immediately upon written notice if either party materially breaches a provision of this Agreement that cannot be cured; (c) immediately upon written notice if the other party seeks protection under any bankruptcy, receivership, trust deed, creditors arrangement, composition or comparable insolvency proceeding, or if any such insolvency proceeding is instituted against the other (and not dismissed within 120 days); or (d) if there are no Orders then in effect. The foregoing termination rights are in addition to your termination rights set forth in Section 8.3.
- 5.4** Effect of Termination.
- 5.4.1** Termination of the Agreement. Upon termination of the Agreement, (a) all Service Terms then in effect and the rights granted to you under the Agreement will immediately terminate, (b) all fees owed by you to us are immediately due upon receipt of a final invoice, and (c) and you will immediately cease use of all SaaS Offerings.
- 5.4.2** Termination of Service Terms. Upon termination of any Service Term, your access to the applicable SaaS Offerings shall immediately cease and the license granted to you to use such SaaS Offerings shall immediately terminate.
- 5.4.3** Survival. Upon termination of this Agreement, parties' obligations under Sections 3.2 (Proprietary Rights); 3.4 (Aggregated Data); 3.5 (Feedback); 6 (Confidentiality); 7 (Security and Privacy); 8 (Warranties and Disclaimers); 9 (Limitation of Liability); 10 (Indemnification); and 11 (Miscellaneous), will survive.

6. Confidentiality.

- 6.1** Definition. Each party agrees that the business, technical, financial and other information, including without limitation, all software, source code, inventions, algorithms, techniques, methodologies, schematics, know-how, analyses, trade secrets, technical data, strategic planning, marketing data, databases, drawings, models, performance information and ideas and the terms and conditions of this

Agreement, that is either designated in writing as confidential, or by the nature of the circumstances a reasonable person would treat as confidential, shall be the confidential property of the disclosing party and its licensors ("**Confidential Information**"). Confidential Information does not include information that (a) is previously rightfully known to the receiving party without restriction on disclosure, (b) is or becomes known to the general public, through no act or omission on the part of the receiving party, (c) is disclosed to the receiving party by a third party without breach of any separate nondisclosure obligation, or (d) is independently developed by the receiving party without use or reference to the Confidential Information of the disclosing party.

- 6.2 Confidentiality Obligations.** Each party agrees to protect the Confidential Information of the other party in the same manner that it protects the confidentiality of its own proprietary and confidential information of like kind, but in no event using less than a reasonable standard of care. A party shall not: (i) disclose or use any Confidential Information of the other party for any purpose outside the scope of this Agreement, except with the disclosing party's prior written permission and (ii) disclose or make the other party's Confidential Information available to any party, except those of its Affiliates, employees, contractors, and agents that have signed or accepted an agreement containing disclosure and use provisions substantially similar to those set forth herein and have a "need to know" in order to carry out the purpose of this Agreement. If a party is compelled by law to disclose Confidential Information of the other party, it shall provide prior notice of such compelled disclosure (to the extent legally permitted) and reasonable assistance, at the other party's cost, if the other party wishes to contest the disclosure. Due to the unique nature of the parties' Confidential Information disclosed hereunder, there can be no adequate remedy at law for a party's breach of its obligations hereunder, and any such breach may result in irreparable harm to the non-breaching party. Therefore, upon any such breach or threat thereof, the party alleging breach shall be entitled to seek injunctive and other appropriate equitable relief in addition to any other remedies available to it.

7. Security and Privacy.

- 7.1 Security.** We will maintain a security program materially in accordance with industry standards that is designed to (i) ensure the security and integrity of Customer Content and personal data uploaded by you or on your behalf to the SaaS Offerings; (ii) protect against threats or hazards to the security or integrity of Customer Content and personal data; and (iii) prevent unauthorized access to Customer Content and personal data. In furtherance of the foregoing, we will maintain the administrative, physical and technical safeguards to protect the security of Customer Content that are described in the applicable Documentation. Our security safeguards include measures for preventing access, use, modification or disclosure of Customer Content and personal data by our personnel except (a) to provide the SaaS Offerings and prevent or address service or technical problems, (b) as required by applicable law, or (c) as you expressly permit in writing or under this Agreement.
- 7.2 Personal Data.** You agree that you shall: (a) not disclose any personal data or other information to us, if such disclosure would violate any applicable law, rule or regulation; (b) not request us to use, disclose or otherwise process personal data or other information in any manner that would not be permissible under any applicable law, rule or regulation, if such use or disclosure or other processing were done by us; (c) disclose to us only the minimum amount of personal data reasonably necessary for us to perform the SaaS Offerings under the Agreement. You will obtain any consents and provide any notices that are legally required for your use of the SaaS Offerings.
- 7.3 Security Assessment.** At your written request, but no more than once in any twelve (12) month period, we will (a) submit written responses to reasonable questions regarding our privacy and information security practices that apply to Customer Content; and (b) upon thirty (30) days advance written notice, permit you reasonable access to our security personnel to conduct interviews regarding a privacy and security assessment of our procedures as they relate to the integrity of your data and to the systems that support and transmit Customer Content. You will be solely responsible for all costs and expenses (including our costs and expenses) related to the exercise of your rights in this Section 7.5.
- 7.4 Restrictions.** Notwithstanding any other provision in this Agreement, we shall not be required to provide (a) physical or network access to our security systems, (b) documentation to provide evidence of compliance other than applicable attestations of compliance, (c) our costs of providing the SaaS Offerings, (d) any results of security vulnerability assessments; (e) any information to the extent that providing such information is a violation by us of applicable laws or regulations; confidentiality

obligations to our customers; or security certifications; or if such disclosure would hinder law enforcement's investigation into a security event or any trade secret of F5.

7.5 Additional Privacy Terms. Service-Specific Terms may contain additional detail relevant to security and privacy.

8. Warranties and Disclaimers.

8.1 Your Representations and Warranties. You hereby warrant, represent and covenant that (a) in the performance of your obligations and use of the SaaS Offerings, you will comply with all applicable laws and will not infringe the proprietary rights or privacy rights of any third parties; (b) you will and have provided accurate, current and complete information in connection with your Account and you will maintain and promptly update your Account information to keep it accurate, current and complete; and (d) you will maintain the security of your username(s) and password(s). You will promptly notify us if you discover or otherwise suspect any unauthorized access to your Account or the SaaS Offerings, including any unauthorized use or disclosure of your Customer Content. You represent that the individuals and your Affiliates using the SaaS Offerings under your Account act with full authority of the Account owner.

8.2 Our Warranty. We hereby warrant that we will provide the SaaS Offerings in a manner that substantially conforms to the Documentation for the applicable SaaS Offerings. This warranty shall not extend to non-conformance that results from: (a) your breach of the Acceptable Use Policy or other use of the SaaS Offerings in violation of the Agreement or not in accordance with the Documentation; (b) a Force Majeure Event (as defined below); or (c) failures caused by your software or other software, hardware, services, or products not provided by us.

8.3 Remedy. For any SaaS Offerings not in conformance with Section 8.2, your sole and exclusive remedy shall be that we will correct the non-conformity or, if we fail to correct the non-conformity within thirty (30) days after receiving written notice from you, or such other time period as may be mutually agreed upon by the parties, you may terminate the Service Term for the affected SaaS Offerings. In the event that you terminate the Service Term pursuant to this Section 8.3, we will promptly issue you a refund for the pro-rata amount of any unused fees prepaid by you for such terminated SaaS Offering, calculated from the effective date of termination. The foregoing states your exclusive remedy, and our sole liability arising in connection with the limited warranties herein. The access to and use of the SaaS Offerings granted hereunder do not replace the need for you to maintain regular data backups or redundant data archives. WE HAVE NO OBLIGATION OR LIABILITY FOR ANY LOSS, ALTERATION, DESTRUCTION, DAMAGE, CORRUPTION OR RECOVERY OF YOUR DATA.

8.4 Disclaimer of Warranties. EXCEPT AS OTHERWISE STATED HEREIN, THE SAAS OFFERINGS AND ANY DATA PROVIDED AS A RESULT OF THE SAAS OFFERINGS ARE PROVIDED ON AN "AS IS" BASIS AND NEITHER WE, OUR LICENSORS, NOR OUR SUPPLIERS MAKE ANY OTHER WARRANTIES, AND HEREBY DISCLAIM ALL OTHER WARRANTIES, EXPRESS, IMPLIED, OR STATUTORY, INCLUDING BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, CORRECTNESS OR RELIABILITY REGARDING THE USE AND RESULTS OF THE SAAS OFFERINGS OR ANY DATA PROVIDED AS A RESULT OF THE SAAS OFFERINGS, OR THAT USE OF THE SAAS OFFERINGS WILL BE UNINTERRUPTED, SECURE OR ERROR-FREE OR FREE OF HARMFUL COMPONENTS, AND ALL WARRANTIES ARISING OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE IN TRADE. IN ADDITION, WE DO NOT WARRANT OR GUARANTEE THE SERVICES WILL DETECT ALL POSSIBLE ATTACKS AND/OR THREATS. WE RECOMMEND ALL CUSTOMERS MAINTAIN APPROPRIATE SECURITY CONTROLS ON THEIR ORIGIN SERVER(S). YOU ASSUME ALL RISK OF USE WITH SECURITY POLICES, INCLUDING APPLICATION UNAVAILABILITY FOR END USERS DUE TO ADVANCED BLOCKING POLICIES.

8.5 Limitations. YOU RECOGNIZE THAT THE INTERNET CONSISTS OF MULTIPLE PARTICIPATING NETWORKS THAT ARE SEPARATELY OWNED AND THEREFORE ARE NOT SUBJECT TO OUR CONTROL (SUCH NETWORKS, "**NON-CONTROLLED NETWORKS**"). MALFUNCTION OR CESSATION OF INTERNET SAAS OFFERINGS BY INTERNET SERVICE PROVIDERS OR OF ANY OF THE NETWORKS THAT FORM THE INTERNET MAY MAKE THE SAAS OFFERINGS TEMPORARILY OR PERMANENTLY UNAVAILABLE. YOU AGREE THAT WE SHALL NOT HAVE ANY LIABILITY WHATSOEVER WHEN THE SAAS OFFERINGS ARE TEMPORARILY OR PERMANENTLY UNAVAILABLE DUE TO NON-AVAILABILITY OF NON-CONTROLLED NETWORKS INCLUDING DUE TO THE MALFUNCTION OR CESSATION OF INTERNET SERVICES BY

NETWORK(S) OR INTERNET SERVICE PROVIDERS NOT SUBJECT TO OUR CONTROL, OR DUE TO ANY ACCIDENT OR BY YOU. WE SHALL NOT BE LIABLE TO YOU FOR ANY BREACH OF SECURITY ON YOUR NETWORK, SYSTEM OR EQUIPMENT, OR FOR ANY LOSS OR THEFT OF INFORMATION TRANSMITTED OVER THE INTERNET OR STORED ON COMPUTERS DIRECTLY CONNECTED TO THE INTERNET EXCEPT WHERE SUCH BREACH, LOSS OR THEFT IS CAUSED BY OUR WILFUL MISCONDUCT. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING THE FAILURE OF THE ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.

9. Limitation of Liability. The terms "misappropriate" and "trade secret" are used as defined in the Uniform Trade Secrets Act, except in case of claims arising under any claim governed by the laws of any jurisdiction outside the United States, in which case "misappropriation" will mean intentionally unlawful use and "trade secret" will mean "undisclosed information" as specified in Article 39.2 of the Trade-Related Aspects of Intellectual Property Rights (TRIPS) agreement.

10.1.1 Limitations.

We will have no liability for any claim of infringement under Section 10.1 based on (a) use of the SaaS Offerings in combination with equipment, services or software not supplied by us where the SaaS Offerings would not itself be infringing; (b) SaaS Offerings that have been altered or modified in any way by anyone other than us or our authorized agents; (c) use of the SaaS Offerings in an application or environment not described in the Documentation; (d) services, software or technology not developed by us; (e) supply or use of the SaaS Offerings in any country into which the U.S. has embargoed or restricted the export of goods or services; (f) supply or use of the SaaS Offerings to or by any person or entity who you know or have reason to know will utilize the SaaS Offerings or portion thereof in the design, development or production of nuclear, chemical or biological weapons; or (g) supply of the SaaS Offerings to or use of the SaaS Offerings by any person or entity who has been prohibited from participating in U.S. export transactions by any federal agency of the U.S. government including but not limited to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of Commerce's Table of Denial Orders.

If, in our reasonable opinion, the SaaS Offerings infringe or are likely to infringe, we will have the right, at our sole option and expense, to (a) obtain for you rights to use the SaaS Offerings, (b) modify the SaaS Offerings such that they become non-infringing or (c) if the options in clauses (a) or (b) are not reasonably practicable, terminate the applicable Order and provide a credit not to exceed the pro-rata pre-paid fees paid by you for such SaaS Offerings not delivered. The foregoing, subject to the

restrictions set forth in Section 10.1.1 above, states your exclusive remedy and our exclusive liability concerning infringement.

You will defend us against any Claim made or brought against us or our Affiliates by an unaffiliated third party arising from or alleging (a) a breach by you or any of your employees, personnel, subcontractors, or agents of the Acceptable Use Policy or Service Policies or (b) your use, disclosure or other handling of New Data (as that term is defined in the Service-Specific Terms) in violation of the Agreement.

10.3 Indemnification Process. The indemnifying party will pay costs and damages finally awarded against the indemnified party, or agreed in settlement by the indemnifying party directly attributable to any such Claim, and will bear all reasonable costs of the investigation and defense of the claim, but only on condition that (a) the indemnified party notifies the indemnifying party in writing of such claim promptly following receipt of notice; provided that any delay in providing such notice shall not impact the indemnifying party's obligations hereunder except to the extent that the indemnifying party is materially prejudiced by such delay, (b) the indemnifying party has sole control of the defense and settlement negotiations, (c) the indemnified party provides indemnifying party all non-privileged information and communications received by the indemnified party concerning such claim and (d) the indemnified party provides reasonable assistance to the indemnifying party when requested.
