

| Product Description (Hardware & Software) | ECCN      | Eligible License Exception | Encryption Status | CCATS #     | HTSUS        |
|-------------------------------------------|-----------|----------------------------|-------------------|-------------|--------------|
| BIG-IP Appliance (all platforms)          | 5A002.A.1 | ENC                        | Restricted        | G177263     | 8517.62.0090 |
| BIG-IP Virtual Edition                    | 5D002.C.1 | ENC                        | Restricted        | G177263     | None         |
| Viprion Blade                             | 5A002.A.1 | ENC                        | Restricted        | G177263     | 8471.41.0150 |
| Viprion Chassis                           | 5A991     |                            | None              | G177263     | 8471.49.0000 |
| BIG-IQ Appliance (all platforms)          | 5A002.A.1 | ENC                        | Restricted        | G177263     | 8517.62.0090 |
| BIG-IQ Virtual Edition                    | 5D002.C.1 | ENC                        | Unrestricted      | Self-Class* | None         |
| Versafe: WebSafe & MobileSafe             | 5D002.C.1 | ENC                        | Unrestricted      | Self-Class* | None         |

| Description (Accessories)                                         | ECCN       | Eligible License Exception | Encryption Status | CCATS # | HTSUS        |
|-------------------------------------------------------------------|------------|----------------------------|-------------------|---------|--------------|
| Battery Packs                                                     | EAR99      |                            | None              | None    | 8507.80.8010 |
| Bezels                                                            | 5A991      |                            | None              | None    | 8473.30.1180 |
| Cables                                                            | EAR99      |                            | None              | None    | 8544.42.2000 |
| Fan Trays                                                         | 5A991      |                            | None              | None    | 8471.80.4000 |
| Flash Memory                                                      | 3A991B.1.A |                            | None              | None    | 8473.30.1140 |
| LCD Flat Panel                                                    | 5A991      |                            | None              | None    | 9013.80.7000 |
| Hard Drives                                                       | EAR99      |                            | None              | None    | 8471.70.4065 |
| Memory                                                            | 3A991      |                            | None              | None    | 8473.30.1140 |
| Optics / Fiber Connectors / SFP                                   | 5A991      |                            | None              | None    | 8536.70.0000 |
| Power Cord                                                        | EAR99      |                            | None              | None    | 8544.42.9090 |
| Power Supply (power output exceeding 150W but not exceeding 500W) | 5A991      |                            | None              | None    | 8504.40.6012 |
| Power Supply (power output exceeding 500W)                        | 5A991      |                            | None              | None    | 8504.40.6018 |
| Rack Mounts                                                       | EAR99      |                            | None              | None    | 8473.30.1180 |
| Training Manuals                                                  | EAR99      |                            | None              | None    | 4901.99.0050 |
| Training Guides and other printed materials                       | EAR99      |                            | None              | None    | 4911.99.8000 |

Self-Class\* = items have been self-classified under EAR section 740.17(a) as defined in section 740.17(b)(1)
